

Mental Cleanse, 2054

-Thus we'll purge the worries and  
anxieties and leave room for the creative!

-I used to write poetry.

-You will again!

-I guess that's a good idea.

-Well, you're paying for it!

-Will I play the violin again?

-You never did, so let's cease the lame jokes!

-What happens to what you take out?

-You wanna keep THAT?

-Well, the overall topics.

-On flash drive you can plug into  
an orifice. Guess which one?

-Now YOU'RE being funny!--  
not professional.

-Sometimes can't help myself!
